

REPORT TO THE HAWAII STATE LEGISLATURE

RELATING TO MONTHLY ENFORCEMENT ACTIVITIES OF  
THE DIVISION OF CONSERVATION AND RESOURCES ENFORCEMENT  
FOR SEPTEMBER 2006

Prepared by the

Department of Land and Natural Resources  
Division of Conservation and Resources Enforcement  
State of Hawaii

In response to

Section 19.3 Of Act 160, Session Laws of Hawaii 2006

Honolulu, Hawaii

**October 2006**

RELATING TO MONTHLY ENFORCEMENT ACTIVITIES OF  
THE DIVISION OF CONSERVATION AND RESOURCES ENFORCEMENT  
FOR SEPTEMBER 2006

The following report has been prepared in compliance with Section 19.3 of Act 160, Session Laws of Hawaii 2006, and calls for the Department of Land and Natural Resources to submit to the Legislature no later than twenty days after the end of each month, monthly reports by its Division of Conservation and Resources Enforcement (Division) on all enforcement activities by branch, including forestry, state parks, cruise ship, and ocean-based enforcement activities that shall include, but not be limited to:

- (1) Enforcement categories (for example, recreational boating, boating facilities, cruise ships);
- (2) Position number of enforcement officer involved;
- (3) Type of enforcement activities conducted;
- (4) Date that enforcement activities were conducted;
- (5) Location of activities;
- (6) Number of hours spent for each enforcement activity; and
- (7) A brief description of outcome or status of enforcement activities;

The report consists of the Daily Narrative Reports that are prepared by each Conservation and Resources Enforcement Officer and contains a brief synopsis of the enforcement activities performed by each individual Officer. A listing of the Division's BRANCH LEVEL - ACTIVITY CODES are attached. These activity codes are used for each activity engaged in. Enforcement activities that include time spent on waterborne patrols for example are designate with the Letter "B" after the appropriate activity code. Additionally, enforcement activities that include time spent with their assigned canine are designate with the Letter "C" after the appropriate activity code.

This particular report addresses enforcement activities undertaken by the Division for September 2006.

**State of Hawaii**  
**Department of Land and Natural Resources**  
**Division of Conservation and Resources Enforcement**

**BRANCH LEVEL - ACTIVITY CODES**

These activity codes are to be used for each activity engaged in. The code numbers are to be entered on the Daily Narrative Report after the Summary of Activities

**NOTE: All officers time spent on waterborne patrols, should designate these activities with the Letter "B" after the appropriate activity code. Additionally, officers utilizing canine should identify time spent using canine with the letter "C".**

			Shoreline pattern at high speed for about 20 minutes				
			To move the shark out.				
			Reason for shark behavior: It appears that every time the				
			Stream runs, the dirty water runs into the ocean, the				
			Shark comes. Possible fresh water fish (top minnow and				
			Talapia) is flushed into the ocean which causes the sharks				
			To come in to feed.
